About THE FOUNDATION

Since 1971, the South Carolina Bar Foundation has awarded more than \$50 million to various law-related organizations throughout South Carolina. The Bar Foundation provides funding for three primary categories of law-related nonprofits: Administration of Justice, Civil Legal Aid and Law-Related Education. Our grantees work incredibly hard to provide needed assistance to victims of domestic violence, veterans, homeless families, persons denied access to necessary health care services, children in need of special education, targets of consumer fraud and the elderly. They provide opportunities for students throughout the state from elementary school and up to learn about the legal system.

The South Carolina Bar Foundation is honored to support our grantees.

our VISION

Our vision is for every person in South Carolina to recognize and secure legal rights.

our MISSION

Our mission is to promote justice by funding legal access and education.

LOOKING TO THE *future*

With your help, through sponsorships or participation of fund-raisers, such as this event, we can make more progress to advance justice in the state of South Carolina.

About THIS EVENT

In October of 2019, the Bar Foundation first hosted this event and was met with excitement and warmth. 22 firms sponsored the event, and boasted 136 attendees ranging from judges, to partners to associates. It was a warm night full of networking, laughter, and conversation and we anticipate an even better reception this coming year.
